Remarks :

This new Jeanneau Cap Camarat 10.5WA Series 2, is inspired by the Cap Camarat 12.5

WA, and replaces the first-generation model which was already a best seller launched five years ago. Every element of this boat has been redesigned and refined with substantial stainless steel supported T-top offering you the level of protection you need and expect for a boat tailored to our climate all supported on a Michael Peters no step infusion moulded hull offering greater engine choice flexibility and performance.

Here at Blackrock Yachting we have a proven track record with large Cap Camarat's in the UK and have drawn on our experience to specify this boat to meet our customers requirements best. The previous generation 10.5WA was an impressive boat but the series 2 really has to be seen to be fully appreciated.

This example comes highly specified with twin 300hp Yamaha engines, Premier Pack, Bow Thruster, front sun deck, automatic trim tabs, T-top, T-top closing kit, Webasto heating, bespoke carpet set and lots more.

Due to her high specification she was selected by Jeanneau to be on show at last years Southampton Boat Show. Call us now to exclusively view her before the show or to arrange an appointment with us at the show.

Please contact us on 01243 550042 to discuss this boat further.
