# Williams Turbojet 325

## Broker Remarks

The Williams Jet Tenders are the ultimate performance tender offering an exhilarating experience. This small RIB will accelerate from standstill to 20 knots in no time at all and will keep going to around 45 knots. Such performance is made possible through a torquey 104hp Weber engine driving through a high performance jet pump system. The Turbojet 325's spacious layout can accommodate four adults with luggage stowed in the forward locker and under the central seat.

This particular example has not been used for the past couple of years and we will require a service,

This vessel is offered subject to prior sale, price change, or withdrawal without notice.

# Mechanical and Rigging

Yacht Image

Weber 104hp turbo jet engine

The Turbojet 325 will rocket from standstill to 20 knots in four seconds flat and won't stop until the far side of 40 knots. In common with the entire Turbojet range, such performance is made possible by the torquey 104hp Weber engine driving through a high performance pump system. The Turbojet 325's spacious layout can accommodate four adults and one child in comfort, with luggage stowed in the forward locker and under the central seat. Her hull length promotes excellent low speed planing ability, giving a supremely stable platform for safe embarking/disembarking.

Four Lifting Pad-Eyes  
 Forward Cleat  
 Ski Eye  
 Two Rear Tie Down Points  
 Automatic Bilge Pump  
 Bilge Blower  
 Battery Isolator  
 Tube Repair Kit  
 Footpump (2 stage)  
 Owners Manual  
 Fitted Fuel Tank (42 litres)

As with all Turbojets the fuel economy is impressive, giving extended use between refuelling for true coastal cruising capability. A qualified choice for the discerning yacht owner.
