## Accommodation

### **Manufacturer Provided Description**

With a spacious design and durable construction, the Eagle 650 inflatable boat is ready to take you and your family on the adventure of a lifetime on the nearest lake or ocean. Once you get a glimpse of the Eagle 650, we're confident your search for a RIB boat will be over. While the vessel is family-friendly, it proves you don't need to compromise on luxury just because you want a boat you can enjoy with your kids as well as your adult companions.

Manufactured in Europe, the Eagle 650 is a large RIB boat that measures 21 feet long and eight feet wide. It can seat eight people comfortably, and it can carry up to 13 adults with ease. Every seat has convenient storage underneath, making it a breeze to stow your gear within easy reach. To put it simply, this rigid inflatable boat is an absolute pleasure to drive. If you want an even more enjoyable driving experience, you can replace the boat's mechanical steering with hydraulic steering that's exceptionally responsive to even the slightest input from the captain.

The boat's engine produces an impressive 175 horsepower, and its gas tank can hold nearly 53 gallons of gas. With such a generously-sized gas tank, you can have endless fun on the water with this fast boat without having to worry about refueling anytime soon.
