Remarks :

Recognised for their high quality and characterised by their original design and excellent

seaworthiness, Scanner boats are built in Italy. Their construction has evolved into the perfect combination of design, speed, functionality, versatility and navigational safety.

This Envy 630 is a lovely clean model, which is just 6 years old and is fitted with a 150hp Yamaha engine with circa 95 hours on the clock. With its spacious cockpit finished with flex teak, electric windless for effortless anchoring and high freeboard providing a dry ride this is a great day boat for all the family. This boat also comes with a clean SBS trailer which has never been in water so she is ready to go!
