Accommodation

Master Cabin:

There is a large 2m long island berth double in the master, forward cabin that also has a large storage under the berth. This cabin has a large amount of light coming in from the long sea vision inspired potholes and the deck hatch which allows for ventilation. This cabin also has the option extra overhead storage lockers fitted and has a hanging wardrobe on the Portside. This cabin also has ambient, in direct LED lighting as part of the Premier pack.

Second Cabin:

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light and also incorporates a seat. Under the berth is additional storage as well as a hanging cupboard.

Heads:

The upgraded Jabsco quiet flush toilet with fresh water conversion is situated on the lower level in front of the helm station. In this compartment there is a toilet, sink, pull out shower with a shower pump.

Remarks :

This Merry Fisher 895 Offshore was delivered by us new to the current owners in February 2022. 'Jessie' is a particularly well equipped example featuring extras such as Twin Yamaha 200HP Engines (only 23 engine hours), U-shaped cockpit seating, Full cockpit canvas enclosure, Webasto heating, Flexiteek in the cockpit and walkways, Axiom 12' plotter, AIS, radar, autopilot and many more.

The Merry Fisher 895 builds on the success of this popular range but offers some significant benefits over its smaller siblings. With two separate cabins, including an impressive centre island berth forward she offers significant accommodation, has a hot water system with a shower allowing for an owner to embark on extended cruising.

As you'd expect "Jessie" is in as new condition and has one of the highest specifications we have ever delivered. The 895 is one of Jeanneau's most popular models and carries a significant lead-time for new orders. Beat the wait and book a viewing, she won't disappoint.
