This 2 side door version offers easy access to the helm and side decks, making moving around at sea easy and safe with its high guard rails and deep companionways. This example benefits internally from a double berth, helm seat, co-pilot bench and aft bench seat, sink, marine head and fridge. On deck it has all that you need to enjoy fishing but also flexible seating with an aft bench seat, folding port and starboard side benches, removable aft cockpit table, electric anchor windlass, LED front headlights on the roof and more. Using the boat short handed is very manageable thanks to its bow thruster and midship cleats which both aid in berthing the boat.

This particular example is also equipped with a fly-by-wire Yamaha control system that gives the helm smooth and more precise shifting paired with the 200hp Yamaha engine.
