Accommodation

Master Cabin:

There is a large 2m long island berth in the master, forward cabin that also has a large storage under the berth. This cabin has a large amount of light coming in from the long sea vision inspired potholes and the deck hatch which allows for ventilation. This cabin also has ambient, in direct LED lighting.

Second Cabin:

The second cabin is situated on the port side, has a generous sleeping area, good natural light from port hole as well as from the sky light. Under the berth is additional storage as well as a hanging cupboard.

Heads:

The marine toilet is situated on the lower level in front of the helm station. In this

compartment there is a marine toilet, sink, pull out shower with a shower pump.
