Broker Remarks

*** **Part exchange considered** ***

We are pleased to offer this new 2023 model year Merry Fisher 695 Sport to the market. A truly versatile boat that is the 4x4 of the sea. This 2 door version offers easy access to the helm and aft decks, making moving around at sea easy and safe with its high guard rails and deep companionways. This example benefits internally from three swivel seats, folding saloon table, sink, marine head and fridge. On deck it has all that you need to enjoy fishing but also flexible seating with fold out seats port and starboard, electric anchor windlass, search light and more. Using the boat short handed is very manageable thanks to its bow thruster which aids in berthing the boat.

This particular example is also equipped with a fly-by-wire Yamaha control system that gives the helm smooth and more precise shifting paired with the 150hp Yamaha engine.

Images being used are of the specific boat available.

Accommodation

The Merry Fisher 695 Sport is an adaptable pilot house style boat which works well in Northern European and UK conditions, as come rain or shine you can enjoy your time afloat. The solid state doors provide a draft free interior as well as a lock and leave capacity with far less maintenance than a canvas backed alternative. There is an opening window on the port side of the saloon in addition to starboard side helm door and an opening roof hatch which allows for lots of ventilation when the weather is good to "open" the boat up. She also comes with the optional aft siding doors.

The pilot house has a retractable table with clever pilot & co-pilot seat that can be aft facing to be part of the table seating. The helm seat is situated on the starboard side with the galley located behind which accommodates a sink.

Further forward the marine heads/toilet have there own compartment with door and sink. There is a sleeping area which can accommodate two people which runs along the hull on the Port side forward.
