## Accommodation

The accommodation on the 895 is one of the major draws to owners. There is a large 2m long island berth double in the master forward cabin that also has storage and good amount of light coming in from the long sea vision inspired portholes as well as ventilation from the deck hatch which also provides more light. The second cabin is situated on the port side, has a generous sleeping area, good natural light from porthole as well as from the sky light and also incorporates a seat.

## Remarks :

A rare opportunity to acquire a lightly used Merry Fisher 895 Offshore Legend (Blue hull).
