Remarks :

'Off Duty' is a Seaward 25 built in 1994. Formerly used by the police as a patrol boat she has been owned in more recent years privately and by her current owner who is a keen fisherman. Equipped with Twin Yanmar 4JH3 100hp diesel inboard shaft driven engines which have been maintained and serviced by the current owner for the last 8 years.

Her semi-displacement hull design along with flared bow gives her exceptional sea keeping qualities allowing for plenty of offshore cruising.
