

Jeanneau Cap Camarat 9.0 CC

Year:	2022	Heads:	1
Location:	Chichester	Cabins:	1
LOA:	29' 0" (8.84m)	Berths:	2
Beam:	9' 0" (2.74m)	Keel:	
Draft:	2' 0" (0.61m)	Engines:	2

Remarks:

'Lotus' is a very striking example of this Jeanneau Cap Camarat 9.0 Centre Console. A bespoke and custom designed 'Martini' racing inspired vinyl wrap certainly turns heads everywhere she goes. Equipped with the largest engine option available, the Twin Yamaha 250hp drive by wire engines along with an innovative new Michael Peters' high performance hull that is clean, stable and efficient she has the performance to match the looks.

Accommodation

Accommodations

The **Cap Camarat 9.0 CC**'s considerable amount of on-deck seating provides fixed aft seats with backrests that are flanked by an additional pull-down bench seat on the starboard side; creating a flexible L-shaped area around the telescopic teak table that can convert into a sheltered sun pad. A very large lazarette storage locker is housed below the aft deck (a further benefit of an outboard powered boat creating more internal storage). There is another hinged storage locker situated below the aft bench seat.

Further forward, behind the helm station, is a galley bench complete with sink, gas burner and fridge to help cater for lunchtime stops or evening picnics.

The helm station itself has triple bolster seating. The helm's position is in the middle at the centre of the boat, the main access to the cabin is in front of this. Being underneath the T-top and behind a generous windshield the helm and co-pilots are well protected from whatever the weather can throw at them, come rain or shine.

Further forward and directly in front of the of the helm station there is centre-line double sofa. This is hinged to provide top access to the cabin below making for easy transfer of

cushions or other essentials. There is more seating in the forward area complete with backrests that can be transformed into an extra-large sun pad.

On the starboard side below deck there is a separate marine head with sink, shower and opening porthole. In the main cabin there is a comfortable sleeping area forward with mattress, opening hatch for ventilation. Towards the stern there is a sleeping space suitable for children.

Remarks :

'Lotus' is a very striking example of this Jeanneau Cap Camarat 9.0 Centre Console. A bespoke and custom designed 'Martini' racing inspired vinyl wrap certainly turns heads everywhere she goes. Equipped with the largest engine option available, the Twin Yamaha 250hp drive by wire engines along with an innovative new Michael Peters' high performance hull that is clean, stable and efficient she has the performance to match the looks. The optional Fibreglass T-top provides protection from the sun and rain for the triple bolster seating underneath.

The 9.0CC is possibly the ultimate multi-role day boat. Motorboat and Yachting have called it a true driver's boat, while at the same time it can accommodate up to eleven people with ample seating both fore and aft. Offering outstanding performance, the 9.0CC has been designed around Jeanneau's family-friendly DNA; there are ample hand holds; sociably arranged seating aft around a teak table (that can convert into a sun bed when needed), as well as a marine head and shower below deck for comfort and convenience.

The owner took delivery of 'Lotus' new in Spring 2022 from us and she is sold with the balance of the remaining Jeanneau and Yamaha warranties with only 30 hours run time.

Available to view 6 days a week please call on 01234 550042 to book an appointment to view her.
