Remarks:

We are pleased to bring to market this 2022 model year Jeanneau Merry Fisher 795 Sport to the market. A truly versatile boat that is the 4x4 of the sea. We have worked together with the current owner on a number of new Jeanneau's and 'Soroma' is the latest example of many years of boating knowledge and experience culminating in his ideal solent boat of which we would have to agree. She has to be one of the highest spec'd Merry Fisher 795

Remarks :

We are pleased to bring to market this 2022 model year Jeanneau Merry Fisher 795 Sport to the market. A truly versatile boat that is the 4x4 of the sea. We have worked together with the current owner on a number of new Jeanneau's and 'Soroma' is the latest example of many years of boating knowledge and experience culminating in his ideal solent boat of which we would have to agree. She has to be one of the highest spec'd Merry Fisher 795 sports available on the market.

This 2 side door version offers easy access to the helm and side decks, making moving around at sea easy and safe with its high guard rails and deep companionways. This example benefits internally from a double berth, helm seat, co-pilot bench and aft bench seat, table, sink, marine head and fridge. On deck you'll find plenty of flexible seating including an aft bench seat, folding port and starboard side benches, removable aft cockpit table, electric anchor windlass, LED front headlights on the roof and more.

Using the boat short handed is very manageable thanks to its bow thruster and midship cleats which both aid in berthing the boat. This particular example is equipped with the upgraded Yamaha steer by wire 250hp engine which is paired with the upgraded joystick making the boat even easier to handle with just one person on board.

Other optional extras include the upgraded Garmin navigation pack, Fusion audio pack, Automatic zipwake trim tabs, flexiteek synthetic decking to name but a few.
