Steering compass
Full AIS

Accommodation

Remarks :

An extremely well looked after example of this iconic Racer Cruiser. She has had two owners all who have kept her updated and professionally maintained . She is currently setup in race mode but a wheeled binnacle is included so she can be easily converted into a more cruising mode. The Elan 333 provides fast family cruising with good accommodation for longer

passages and holidays. As a racer 'Edith' has a proven track record of success in the racing scene in Lymington over the last few years.

She comes with a really full suit of sails from 2011 and is very clean and neat throughout. She has particularly good accommodation for such a fast yacht, she sleeps 6 in two cabins and the saloon has a large heads and very well laid out galley area.
