Accommodation

The 8m Offshore sleeps four in a forward double ,converted saloon. She has a separate heads and practical galley area. There is ample storage through out.

Remarks :

A very well looked after Van der stadt Offshore 8m yacht is now for sale in Lymington , Hampshire. A nicely turned out yacht with a proven reputation as a capable offshore passage maker. Built by Offshore Yachts of Royston she offers a great sailing experience at a very good price.

She has been updated , her engine has been reconditioned and her standing rigging replaced in 2019 .

The main and genoa were new in 2011.

She has pressurized hot water system with a shower in the heads compartment.

Her interior is finished in teak with 4 berths and has a good separate heads and practical galley area. She is a great passage maker for both coastal and offshore trips. She has been epoxied and rewired and keel bolts replaced over the years.

Maryanka has been well looked after by her present owner and is ready for this season.

A current survey is available.
