A new marine heads was installed in 2012.

Remarks :

A Freedom 35 cruising yacht for sale in Lymington, Hampshire. They are very easily sailed single or short-handed. The Freedom is a fast yacht capable of long-distance cruising comfortably. But with a draft of 1.2 she can explore the shallowest bays, estuaries and rivers, she would also be good for going through the French canals. She is quick and easy to sail in all conditions. Combined with her lead keel she is also very stable.

Her sails are in good condition, she had new sail bags in 2013. For simple single or short-handed cruises all lines lead back to the cockpit. In 2013 she had her sprayhood dodgers and binnacle covers changed.

She has a very large screen Garmin 4010 plotter with a new Garmin card in 2019. She is well specified with AIS , navtex, Autohelm and an Icom DSC VHF.

There are 6 berths in two cabins and the saloon. She is neat down below with new Upholstery in 2015. For cruising comfort, she has a cabin heating system and pressurized hot water.
