## Accommodation

The Nicholson 32 sleeps five . The forecabin is made up of twin berths with storage underneath . The saloon has two settee berths again with storage and the quarter berth is large. She has a good heads and practical galley area .  
Her decks are wide and enable easy movement with the cockpit is deep and sea kindly.

## Remarks :

Peter and Charles Nicholson designed the Nicholson 32 to be a long distance passage maker of very strong construction, stable and easily handled . The success of the design was proven by its production run of 435 boats over 22 years and the fact that they have been sailed all over the world.  
'Grecian' is a go anywhere boat built to very high standards which make Nicholson 32's much

sort after. As a safe passage maker she is first class. This yacht has a full set of good cruising sails and benefits from Eberspacher hot air diesel heating system. Her standing rigging was renewed by West Solent Boat Yard and her running rigging is new from 2015. Her sail cover and sprayhood are both new. Please call Howard Ross of Network Yacht Brokers Lymington on 01590 671381 to arrange a viewing.
