Remarks :

Network Yacht Brokers of Lymington are very happy to list this Jeanneau Sun Odyssey 33i with Lifting keel which is in absolutely first class condition ,it very rare to have for sale a yacht in this good a state and whose inventory is as extensive as 'FiFi"s.

All her sails are in very good condition and she had a new Tri radial genoa from Sanders in 2015. She is a particularly comfortable cruiser with heating ,hot water, autohelm and AIS. She also has a full cockpit tent.

Being the sort after Lift keel model she can explore the shallowest of bays ,rivers and estuaries but with her keel down she sails very well to windward.
