Remarks :

The Jaguar 21 has proved to be one of the very best trailer sailers from the 80's. The mast is easily lowered and she is simple to launch and recover but at over 1130 kgs she is a proper cruiser and has earned a good reputation as a race winner.

'Jester' comes with a road worthy trailer which has new tyres and bearings.

There are two engines her main drive comes from a Mariner 4hp in very good condition and an older 2 hp outboard.

The Jaguar sleeps 4 in an open plan interior , she has a galley area and a chemical toilet.
