Remarks :

This Degero 28 deckhouse motorsailer is for sale in Christchurch , Dorset. She has been well looked after by her one owner and is in excellent condition throughout.
The Degero 28 motorsailer is built by the Kristeri yard in Finland, they are well built quality deckhouse motorsailers that have earned a reputation as sturdy quality yachts that sail very well. They have produced over 130 of the Degero 28 which is their most successful model to date.
She has a long keel , which thanks to extensive lead ballast, allows a shallow draft without sacrificing stiffness and stability.
'Anatidae' has a Volvo Penta D1-30 3-cylinder, naturally aspirated diesel engine with freshwater cooling. With low cruising rpm, the engine runs quietly with minimal vibrations. The engine has been regularly serviced and has 1000 hours on her.
Her interior joinery is in satin finished teak and is in very good order. Her saloon is bright and she has a very high quality feel to her. The heads are a good size and the galley well laid out. She has plenty of storage throughout.
The Degero 28 is a comfortable quality motorsailer that will please the skipper who likes to sail . The dual helm position enables all weather sailing.

She can be viewed ashore in Christchurch, Dorset. Please call Howard Ross on 01590 671381 to arrange a viewing.
