Remarks :

A very fine example of the unsinkable Etap 21i trailer sailer for sale in Lymington. 'Meerkat' is in very good condition throughout and has been lightly use. She is powered by a Honda 10 hp engine with electric start and power generator.
The Etap 21 i sleeps 4 . There are two side by side berths and up forward a twin berth with a fill in to make up a double.
The galley area has a two burner stove ,stainless steel sink and storage.
The cockpit is large and all lines lead back to it.
The Etap 21 i is a capable club racer and proper coastal passage maker.She is double skinned that makes her unsinkable and also makes her cabin quite and reduces condensation.

The Etap 21i sails better and has a far higher build quality than the Jeanneau 2000 or Beneteau 211.
