Accommodation

The Westerly Fulmar 32 sleeps 7. The forward cabin is a twin berth that makes into a double. In the saloon there is a double berth to port and a single to starboard. The port quarter berth is a small double. The saloon is spacious with a large folding table. The heads are a good size and the galley practically laid out with plenty of storage.

Remarks :

"Petronella" is a good example of the Westerly Fulmar 32. She has been particularly well maintained by her present owner. Her engine has been serviced she is freshly anti fouled and ready to go for the new season.

She has been re engined and her standing rigging was replaced in 2011.

The Fulmar is often said to be the best Westerly of all time and who would disagree with her fast , sea kindly passage making and great cruising accommodation . They were in production for over ten years and over 400 were built.

Her sails are in good condition having been regularly washed and serviced by Sanders sails in Lymington. Her headlining and upholstery are in fine order and she is in overall good condition throughout.
