## Accommodation

The Moody 31 MK2 offers good cruising accommodation and sleeps six. The forward cabin has twin berths with a fill in to make a double. There is a hanging cupboard and storage. She has good head height in the saloon two berths and a large folding dinning table. Her interior has very nice wood fittings which are in good condition. The galley has a stainless steel sink with hot water. There is a fridge and oven with grill and two burners in excellent condition. The heads are a good size with Jabsco heads. The sink has a shower attachment and hot water. There is a vanity unit and a wet locker. The rear cabin is a full double berth with hatches and hanging storage.

## Remarks :

'Pearl' is a very good example of the popular Moody 31 MK11 with bilge keels. She sleeps 6 in two cabins including the saloon which is light and bright with excellent wood fittings. She has shore power, a hot water system, a great galley with fridge, a large heads and a full cockpit tent everything necessary to keep the most demanding crew happy on extended cruises. She is very easily sailed single or short handed having in-mast reefing, roller genoa and a Raymarine ST 2000 autohelm.

Her cockpit is deep and dry and the Mark 11 has a sugar scoop with folding boarding/swimming ladder.

She has a full array of modern navigation equipment including radar, AIS (receiving) colour plotter and DSC VHF radio

She is powered by a freshwater cooled Volvo 2003 which has been well cared for.

She is currently ashore for viewing.
