Remarks :

'Cringle' is a Westerly Griffon for sale in Lymington .The Westerly Griffon was Ed Dubois more modern, better-performing replacement for the older Westerly Centaur design. She is the mark 2 version which has upgraded interior joinery.

She was re engined with a new Beta 25 hp in 2017 and had a new stainless steel fuel tank at

the same time.

Her sails are all in good condition and she has a spinnaker.

The galley had a new oven in 2016 with a grill and two burners in 2016, Also a new fridge was installed in 2017.

The Westerly Griffon is a well built strong and safe coastal cruiser. Being a bilge keeler with a draft of only .99m

she is able to explore the shallowest of canals, rivers and anchorages as well as being able to take the ground.
