## Accommodation

This Sun Odyssey 349 is the more popular owners cabin with one large aft cabin. She sleeps 6 in two cabins and the saloon. There is ample storage throughout and full hanging cupboards in both cabins. The heads are large with a full size shower area and vanity unit. The galley has an oven with grill and two burners.

## Remarks :

The Sun Odyssey 349 designed by Marc Lombard was Yacht of the Year in 2015 when it was launched and has gone on to be Jeanneau's best selling boat. The reasons for this are easy to see. She is a quick, safe and easily handled category A cruiser with excellent modern interior space, light and airy with quality joinery and fittings.

Ocean Dreamer is the sort after lift keel version so she can explore the shallowest of bays and estuaries. She is in 'as good as new condition' being very lightly used and well cared for by her one owner. For cruising comfort, she has had an Eberspacher hot air heating system installed and comes with pressurised hot/cold water, a refrigerator, a full sized shower and extremely functional galley with plenty of storage.

She has quality B&G instrumentation with a colour plotter at the helm, which has an AIS feed to it.

The deck equipment is by Harken, and the sails are all like new. All mainsail and genoa lines are led back to the cockpit, this along with the autohelm makes single or short-handed sailing easy. Her electric windlass takes the effort out of anchoring.

Overall she is very well equipped and in beautiful condition. Please call Howard Ross on 01590 671381 to view this excellent Jeanneau Sun Odyssey 349. She can be viewed afloat in Lymington, Hampshire.
