Jeanneau Sun Odyssey

Broker Remarks

The Jeanneau Sun Odyssey 349 is a fast easily sailed cruising yacht. Her interior is very modern, bright, comfortable and roomy. This Jeanneau 349 is the lift keel version which when up she draws 1.28 and with the stainless steel hydraulic keel down her draft is 2.54m. This gives her really great windward performance as well as the ability to explore our rivers and estuaries.

She is in 'as new condition ' having been very lightly used in the Solent. She comes with very high-quality B& G navigation instruments which includes AIS. This a very comfortable cruising yacht with a hot air heating system, pressurized hot water, showers, well laid out galley and plenty of storage.

Accommodation

This Sun Odyssey 349 is the more popular owners cabin with one large aft cabin. She sleeps 6 in two cabins and the saloon. There is ample storage throughout and full hanging cupboards in both cabins. The heads are large with a full size shower area and vanity unit. The galley has an oven with grill and two burners.
