Accommodation

The Red Fox S sleeps 4 in a forward double and two single settee berths. She has ample storage and head room of 1.4m.
There is a galley area for a gas cooker and a Porta potti which has not been used. All interior lights have been changed to LED.

Remarks :

The Red Fox 200s is one of the best-designed trailer sailers available, she has great sailing performance and a well laid out interior. They are economic to run with low maintenance. She has a road worthy trailer so it is easy to take to different cruising grounds both here or abroad.

They are a delight to sail, her twin rudders makes for positive control, even when well-heeled. The two asymmetric dagger boards provide positive lift to windward, and yet don't impinge on interior space (the hull is ballasted – there is no keel). Below decks there is room for four people in an open plan layout with sitting headroom and a small galley area.

'Zorro' has newsails and standard rigging and can be viewed ashore in Christchurch.
