### Remarks :

'Second Wind' is a very well maintained Nordic Folk boat. She has been continuously updated throughout by the present owner. Her sails are in excellent condition. 'Second Wind's' main, jib (new in 2017) and spinnaker are very lightly used and are like new. She has had a new mast and boom. In 2016 both were professionally repainted and Jeremy Rogers Ltd of Lymington removed and refitted her cast iron keel in 2017. New bolts and lifting eyes were fitted at the same time.

In 2008 she had a new rudder and deck fittings.

'Second Wind' has proved herself as a very successful racing Folk boat, she is well looked and ready to go.

She comes with a roadworthy trailer and can be viewed ashore by appointment.
