Accommodation

Sleep 2 in a twin forward berth which has a fill in to make up a double . The galley area has a gas burner,sink,fridge and storage. The heads are large with a sea toilet.

Remarks :

This is a very good example of the Beneteau Antares 7 . 'Sapphire' has been very well looked after by her current owner who had her polished and antifouled for this season. She has a Nanni 155 hp engine which are powerful smooth and more economical than an outboard equivalent. The engine is regularly serviced and her steering was overhauled last year.

She has a great cockpit space ideal for fishing or just relaxing. The saloon table converts the two single berths into a double of just over 6 foot for weekends away and she has a galley area with sink, fridge and storage. The heads cabin has a Jabsco sea toilet fitted and is the largest in this size of boat.

Sapphire is in very good condition throughout. She can be viewed afloat in Lymington.
