Remarks :

'Baltic Lady' is a classic 32 foot Swedish built cruising yacht with charm, character and a very high build quality. She is a very sea kindly yacht, her long keel makes her very stable. She is sturdily built and with a hardwood interior which gives her a quality warm feel. She was re-engined in 2002 with a powerful Volvo 2030 29hp engine. Her sails are in good condition.

The Vindo 40 is a sought after classic yacht with beautiful interior wood fittings but with the convenience of a heavy GRP hull so there is not the maintenance and risk associated with a wooden-hulled classic.,

She has a wooden wheel and is easily sailed single or short-handed.

She is currently ashore and available for viewing.
