

**Parker 31**

**Year:** 1989  
**Location:** Lymington  
**LOA:** 31' 0" (9.4m)  
**Beam:** 10' 0" (3.0m)  
**Draft:** 4' 0" (1.2m)

**Remarks:**

This Parker 31 is a well-maintained boat with a full keel and a lifting wing keel. She has a full cabin with a head and heating. Her unique lifting wing keel allows her to sit on the ground. 'White light' has excellent sailing characteristics and is a pleasure to sail.

## Accommodation

The Parker 31 sleeps 6 in two double cabins fore and aft and two full-sized berths in the saloon. The heads have a sea toilet and sink with pressurized hot water.

The galley has plenty of storage a double sink , refrigerator and an oven with grill and two burners.

There is Led lights throughout and a heater in the saloon.

## Remarks :

We are very happy to list this Parker 31 lifting keel yacht which can be viewed ashore in Christchurch. She has been very well maintained and updated by her present owner. The Parker 31 offers a quite unique balance between comfortable cruising and serious sailing performance. For comfort she has heating and hot water, a large dining table and dual access on-suite heads design, which includes a hot water shower, a good galley area with fridge, oven/grill/two burners and dry storage as well as a double sink with hot water.

Her sails are in good order the main was new from Sanders sails in 2017. She comes with a spinnaker, pole and all the necessary rigging. Her stainless steel standing rigging was replaced in 2017.

'White Light' was re-engined with a Beta 16 in 2009 and has been regularly maintained. The keel design on the Parker gives a draft when down of 1.83 this along with her large wing keel gives great performance on all points of sail. When the keel is up she can take the ground and draws only .61m. Her lifting keel was fully refurbished in 2016.

Parker yachts have proven themselves to be built to a very high standard and will provide fast comfortable and stable cruising and racing.
