Remarks :

This Beneteau Oceanis 31 lift keel version is in excellent condition throughout. She has been immaculately looked after by her current owner and very lightly used. Her lifting keel gives a minimum draft of .95m allowing you to explore the shallowest of cruising grounds and she can easily take the ground. With the keel down the draft is a deep 2.17 m giving great windward

sailing ability.

The Beneteau 31 was voted ' Yacht of the year' on her launch and it is easy to see why. The bright and spacious saloon, large double cabins well-appointed heads make her a very comfortable cruising yacht. This combined with her great sailing qualities make for the best cruising yacht in this size.

Her sails are in excellent condition, the Yanmar 21hp engine is regularly serviced and she is ready to go for this season.
