Accommodation

The Hunter Landau 20 sleeps two in a v berth which can also be made up into a large double. She has a sea toilet and a galley area with sink and stainless steel sink, there is food and plate storage.

The saloon table can be moved into the cockpit area.

Remarks :

The Hunter Landau 20 is a fun day sailer that can be used as a great weekender for two. Designed by David Thomas her three keels gives her great manoeuvrability and speed, as well as creating less wash. 'Freddie' can seat 6 in her large cockpit on helm and navigators chairs and two bench seats.

Down below she is very light and can sleep 2 in a twin v berth which can be filled in to make a good-sized double. She has a galley area with pressurized water at the stainless steel sink.

This Hunter Landau 20 is in overall very good condition having been very well looked after by her present owner. She has a 90hp outboard with hydraulic steering which will take her up to

30 knots. Her hull has been copper coated for ease of yearly maintenance.

This boat is a very good example of the Hunter Landau 20. She can be viewed afloat in Lymington.
