## Accommodation

Comfortable & spacious 6 berth layout: forward cabin twin V berths with infill to make double berth. Saloon dinette converts to double; aft cabin double berth. Interior in original condition and maintained to a remarkable standard with rich matt lacquered mahogany panelling and deep buttoned high backed corded upholstery throughout making for a warm and comfortable environment. Forward toilet with sea flush toilet and hand basin with hand shower unit. Galley with double stainless steel sink unit, 2 burner and oven gas cooker, all hide-away within the cream finished worktop. Good storage lockers above and below. Aft of the galley a good sized sit-at chart table with instruments and drop down easy access electrics panel. Plenty of storage for navigation books and charts.

## Remarks :

'Tabu' is a very good example of the Sweden 34 performance cruiser. She has been well maintained and updated by her owners.

The Sweden 34 is a very strong, fast and well-built yacht capable of extended offshore cruising in the worst of conditions. But she is well mannered and easy to sail on coastal passages. Many owners have had very successful racing results with their Sweden 34's but Tabu has not been raced.

Her teak decks are perfect having been fully replaced in 2012. She has been re-engined with the reliable and quiet Volvo 2030. She has a full set of sails all in good condition and includes a spinnaker and cruising chute. All lines lead back to the cockpit and with the roller furler plus autohelm, she is set up for single or shorthanded sailing.

Her interior is made of very high-quality joinery which gives her a warm and comfortable feeling throughout.

A well-maintained yacht from this quality Swedish builder. A performance cruiser with a comfortable interior and a cut above similar sized yachts built in the same period.

She can be viewed on the Beaulieu river Wednesday to Sunday
