Remarks :

The Sadler 26 is a safe and seaworthy cruising yacht which handles easily and is the fastest yacht in her class. All lines are led aft and with her autohelm short or singlehanded sailing is simple. Her cockpit is deep and well protected with high coamings . Her unique interior moulding, foam-filled construction makes for an incredibly strong hull as well as making her unsinkable.

' Night Jar' had her engine re-placed with a 24hp new Beta in 2014.
