She has a sea toilet forward as well as a full-sized hanging locker. The galley has an oven, grill with two burners, cold box and dry storage. Aft port side is a large quarter berth.

## Remarks :

The Scampi 30 is one of the classic Half tonner designs. Over 750 were built in total and they have won a great reputation as race winners and for being excellently well built, easily sailed, and well behaved fast cruisers. The Scampi 30 is roomy, has a deep cockpit and is stiff with good stability

Minim 3 has a top race pedigree having great results at club racing and in The Round the Island Race. She has been very well looked after over 30 years of ownership by her current owner. This Scampi 30 is very neat both her exterior and interior are very clean and. She has been re-engined and has had all her lines led aft. She has a full suite of sails in overall good condition.

She is a classic cruiser-racer that could easily bring home some silverware for her new owner or would make a safe comfortable cruiser for someone who really likes to sail.
