Accommodation

The Rival 32 sleeps 5 in two cabins. The saloon has a large folding dining table. The galley has a stainless steel sink and a two-burner, oven and grill, as well as dry storage.

Remarks :

The Rival 32 has earned a well-deserved reputation as a great sea boat capable of safe extended cruising. Designed by Peter Brett who was responsible for all of the very successful Rival range, over 200 32's were eventually built most by Marine Construction. 'Amante' was the very last Rival 32 built but she had to wait until 1990 for her owner to launch her.

She now has a recent Beta 25 engine which has been regularly serviced and has only 470 hours on it. her sails are in good order and include a spinnaker and pole as well as a storm sail which is unused. The cabin is heated by a hot air heating system.

This is a wonderful opportunity to own a really classic, well-found, quality yacht.
