Remarks :

We are pleased to offer this Westerly Griffon bilge keeler for sale. She is a very smart and well-maintained yacht. She is absolutely ready to sail this summer. The engine has been refurbished and regularly serviced. The hull has been epoxied and in very good condition. Her standing rigging was renewed in 2015.

The Griffon's accommodation is excellent for a yacht of this size with a large saloon with good headroom.

She is a safe stable and comfortable yacht capable of extended cruising.

This bilge keel Griffon is in good condition and can be sailed away today without any work needing to be done.

She has had a full survey in 2020 which will be available on viewing her.

Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.
