## Accommodation

The Hunter Channel 27 has great accommodation for her size. She sleeps 6 in a forward open plan double berth, an aft double cabin and two single berths in the saloon. She has full head height over 6ft throughout. Her heads are large with a sink and lockers. The chart table is to starboard midships and the galley to port with a stainless steel sink, Oven, grill and two burners.

## Remarks :

This Hunter channel 27 is in extremely good condition both on and below decks. She has been meticulously maintained and updated by her one owner. She is a fully factory completed version. Her engine was replaced with a new Beta 16 in 2016 and has been regularly serviced since. The standing rigging was new in 2016 and her hull was cleaned off in 2016 and a layer of epoxy put on followed by full copper coating, all professionally done by Jeremy Rogers in Lymington.

'Faithful Spirit' is a sturdy safe cruising yacht which is easily sailed single or short handed. She has a self tacking jib on a roller furler, all lines lead back to the cockpit and she has a autohelm.

Being a bilge keeler or, as Hunter liked to call them, twin keeler she draws just 1m and can safely take the ground opening up a whole variety of different cruising opportunities.

Her upholstery is like new and there is a hot air heating system for comfort. Her galley is

practical with a oven, grill with two burners , fridge and dry storage.

She has great headroom throughout and due to her open plan forward berth and saloon she is very bright and airey.

This cruising yacht is fully ready to go for this season.
