Accommodation

The Pilot 44 sleeps 6 in three good-sized cabins. There are two heads and a full-sized shower. There are two sitting areas with tables and is excellent for liveaboard and entertaining.

Remarks :

This Pilot 44 was built by the VDL yard in Holland for its present owner in 1997. She has done some channel cruising but is overall very lightly used. The Pilot 44 is an ocean-going motor yacht with a steaming range of 1700 miles. She can be sailed to the Mediterranean by sea and return via the canal system. She makes the perfect canal cruising base with a draft of 1.2. She is an extremely comfortable liveaboard cruiser sleeping 6 in three comfortable cabins, two heads, and a full-size shower unit.

She has well over 6ft headroom throughout. The interior is very high-quality wood joinery in excellent condition which gives her a warm quality feel throughout. The Pilot 44 is a tough safe passage maker easily handled with a Bow thruster.

This is a perfect liveaboard motor yacht ideal for cruising the UK, channel, and inland waterways of Europe.

She is afloat in Lymington and can be viewed 7 days a week.
