Accommodation

The Fisher 30 sleeps 5 . The forward berth has two v-shaped berths which with a fill-in makes a large double . The saloon table sits 5 adults and converts to a double berth. There is an aft quarter berth to starboard. The headroom throughout is 6ft 3 and the quality joinery gives the whole interior a warm and quality feel. The heads is forward on the port side. The galley has a three burner oven and grill . There is a refrigerator and plenty of dry storage. The sink has hot and cold pressurized water. There is ample storage throughout for extended cruises.

Remarks :

This is a great example of the ever-popular Fisher 30 motor sailer. She has been substantially upgraded and extremely well maintained throughout her life. She has been re-engined with a Beta 38 engine which has been regularly serviced. Her sails are from 2014, all in very good condition and include a spinnaker with pole. The standing rigging was replaced in 2014 and all her running rigging is in excellent order. For comfortable cruising, she had an Eberspacher heating system installed in 2017 and has hot water in the galley. She is very easily handled short-handed, with an autopilot and anchor windlass. All navigation instruments are at the helm position.

The Fisher 30 motorsailer is a ketch-rigged cruiser offering safe and comfortable sailing on offshore passages, but with her draft of 1.3 m, she can explore the shallowest of cruising grounds and anchorages. She comes with a set of beaching legs so she can be dried out.

'OPS' is ready to go and can be viewed afloat in Lymington, Hampshire.
