## Accommodation

The Westerly Storm 33 has seven berths in three cabins. The forward cabin has a large double berth, vanity sink and hanging locker. The large Aft double cabin has a hanging locker. One of the settee berths makes into a double. The saloon has a good-sized folding dining table and is light with good-quality joinery. The chart table is on the starboard side amidships and forward facing.

The galley has hot water, a two-burner oven and grill, a refrigerator, one-and-a-half stainless steel sinks and dry storage.

The heads has hot and cold water, a Jabsco sea toilet and a vanity unit.

There is a Mikuni hot air heating system and 240v shore power sockets.

## Remarks :

This Westerly Storm 33 is a fast, capable cruising yacht, with all the comforts necessary to keep the most demanding crew happy on extended cruises.

'MoonStorm' comes with a great set of sails, including two spinnakers and a cruising chute with snuffer ,all in good condition. All lines lead back to the cockpit, added to this is her roller furler and autohelm which means that she is easily sailed short-handed.

She has a generous chart table with a colour plotter , radar, VHF and navtex units.

Her interior is in good condition with particularly fine teak joinery throughout. There is a hot air heating system with three outlets. She sleeps up to 7 in two cabins and the saloon. The large folding dining table will sit up to 8 and is light and airy. She has a good-sized heads with sea toilet and vanity unit, including hot water.

The galley has a two burner, grill/oven, refrigerator and two stainless steel sinks with hot water. There is plenty of dry storage.

This Westerly 33 is a great cruising yacht and can be viewed ashore in Lymington 7 days a week. Please call Howard Ross on 01590 671381 for more information and to arrange a viewing.

The owner is open to offers.
