Accommodation

The Contessa 32 sleeps 5. The forward twin v berth has a fill in to make a double. There are two settee berths in the saloon which has a large folding dining table. The aft quarter berth is to starboard and is wide and deep.

Remarks :

This is a well maintained and updated example of the ever popular Contessa 32. 'Bright Eyes' is well equipped for short handed cruising with wind vane steering and tiller pilot autohelm as well as all lines lead back to the cockpit. Her rigging is in date and all sails are in good condition. Her Yanmar engine has been well maintained and recently refurbished.

She is in good condition down below, the galley has a fridge, two burner oven and grill and for real comfort there is a Eberspacher hot air heating system. All her internal and navigation lights have been converted to LED ones.

She has a modern Garmin colour plotter with AIS and radar. Her cockpit teak was renewed in 2014 and is in great condition.

This Contessa 32 can be viewed afloat in Lymington. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.
