The galley has a oven, grill with two burners , stainless steel sink and refrigerator. The heads has a sea toilet, sink and vanity unit and storage.

Remarks :

'Sally 2' is a Sadler 32 for sale by Network Yacht Brokers in Lymington. She has been very

well maintained and upgraded by her present owners. She has had full osmosis treatment on her hull and her keel was gel coated at the same time. The original engine was replaced with a Beta 30 along with her shaft and prop. The engine is regularly serviced. Her sails are all in good condition and all lines lead aft. Along with her fully battened main and genoa she has two spinnakers, storm jib and a spinnaker pole.

For cruising comfort she has a Webasto heating system, shore power, and a full cockpit tent.

The Sadler 32 is a great sailing yacht, very easy to sail short handed and has a kindly sea motion. She was designed by David Sadler to be an upgrade to the his Contessa 32 design. She has better interior space and a much dryer cockpit.

Sally 2 can be viewed afloat in Lymington 7 days a week. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.
