Accommodation

The Westerly Konsort sleeps 5 in a forward double cabin two settee berths and a quarter berth. Her saloon is spacious with good head height. She has a two burner oven and refrigerator in the galley area. The heads had a new seatoilet in 2018.

Remarks :

The Westerly Konsort is a classic British sailing yacht; designed by Laurent Giles, it was his

final design for Westerly yachts and 700 were built in 12 years starting from the spring of 1979. Its beamy design allows for a spacious area below decks with enough height for a 6'2" man to stand comfortably and there is copious room even with the central cabin table up. The extra width is also noticeable up top where it has safe and wide side decks.

'Oyster' has been well looked after having had regular engine services, newly polished topsides and new standing rigging and sails. She had a new cockpit tent in 2021. Oyster is an excellent example of the model and will provide fast and comfortable, coastal and cross-channel cruising for you and your crew.
