Accommodation

The Furia 332 sleeps 6 , the forward cabin has a double berth. The port settee converts to a double berth. The Galley to port has a oven with two burners, cold box , twin sinks and hot water and dry storage. The navigation table is to starboard. Starboard aft is a good sized heads compartment with a shower. The aft cabin is large with a double berth.

Remarks :

The Furia 332 was, designed by Michel Joubert and Bernard Nivelte and was built by the Dresport Yard in Spain. She is a fast cruiser-racer, with very comfortable accommodation . She has very high quality joinery which gives her a warm quality feel throughout. Her saloon is large with ample headroom and the upholstery is in good condition. There is hot water in the heads and galley.

Resolute is a quick comfortable cruiser which also would perform well in club races.

The Furia range of yachts have earned a good reputation for being easily sailed fast cruisers. She has been well maintained and updated by her present owner. All her lines lead back to the cockpit and she has lazy jacks so is easily sailed short or single handed. She has a reliable Yanmar 3GM engine which has been reconditioned.

Furia 332 sleeps 6 in comfort , her spacious saloon, well laid out galley and good sized heads make her a fun, comfortable long distance cruiser.

She is available to be viewed 7 days a week. Please call Howard Ross on 07590 847548 for more information and to arrange a viewing.
