Remarks :

The Baja 38 Special is a sleek and fast high performance sports cruiser with a wide beam and a spacious cockpit. Dual helm seats and seating to the rear allow for several adults to cruise at speed and with style on this motor yacht.

Her maximum speed of 50MPH is reached with ease and her two Yanmar 6LPA engines combined with the sleek design of the planing hull make for an exhilarating ride, perfect for the thrill seeker in you. The engines when run at lower speeds are quite economical.

'On The Edge' is in good condition and has been well maintained over the years. She has

been kept ashore for most of her life and has been upgraded and modernised over the years.

In the lounge cabin there is seating for several adults. There is a well equipped galley to starboard and the heads compartment is large with a hot/cold water shower.

This excellent example of the Baja 38 special can be viewed 7 days a week in Lymington. Please call Howard Ross on 07590 847548 or Douglas Ross on 07469972705 for more information and to arrange a viewing.
