Accommodation

The Seward 23 sleeps two in great comfort. She has a separate heads compartment with a new Jabsco sea toilet and a well laid out galley with a new stove and sink, as well as dry storage.

There is a table in the saloon area and cockpit. Calyopi has a new Ebersacher heating system for comfortable cruising.

Remarks :

The Seward 23 has proven itself to be the most sea kindly, capable twin diesel motor yacht in this class. They are built to the highest quality and the joinery throughout is of the highest standard. Her design makes for comfortable, safe passages both inshore and offshore.

'Calyopi' has been very well maintained and updated by her present owner. This Seward 23 has all the equipment for very comfortable cruising, including a new hot air heating system, shore power, new cooker, full cockpit tent and refrigerator.

Her twin Yanmar engines have been regularly maintained and have low hours.

Her Treadmaster decks are in good condition and she has stainless steel hand rails, allowing for very safe movement on deck.

The cockpit is spacious with all round cockpit cushions and a new teak folding table.

This Seward 23 can be viewed 7 days a week in Beaulieu.
