Remarks :

The Beneteau Monte Carlo 6 is a sporty and stylish motor yacht produced by the French shipyard, Beneteau. It features a sleek and modern design, with a large cockpit and ample exterior deck space. The interior is designed with comfort and elegance in mind, with a large salon and fully equipped galley. It is powered by twin Volvo IPS engines, allowing for a top speed of around 30 knots. Standard features include air conditioning, a generator, and a full suite of navigation electronics. Overall, the Beneteau Monte Carlo 6 is a high-performance yacht with a focus on luxury and style.
