Hand basin
Combination mixer tap/shower

Remarks :

Sunbow is a well presented and maintained Sealine 330 Statesman having been well cared for by her current owners and offering good value for money. The Sealine 330 Statesman offers a surprising amount of room and space for a model of this type with a large saloon and well proportioned cabins with storage and ventilation throughout making this boat feel a larger platform than her hull length suggests.

A really good choice of flybridge cruiser for both its good sea handling and space aboard for

entertaining or sleeping aboard this boat should not be overlooked.

She is currently lying at Swansea marina and is available for immediate inspection.

Part Exchange Considered and Finance Available
