Remarks :

An exceptional example of a Falkland Fisher 600 Offshore boat, equipped with a good standard of equipment throughout, with high freeboard and industry recognition of the build strength this boat offers a superb fishing platform for the more serious angler.

From the large, self draining decks filled with storage and plenty of seating positions this boat will accommodate up to 6 anglers comfortable meaning there is never a need to choose who to leave ashore just lots of room wherever you look.

The wheelhouse gives a superb all around view by virtue of its strong 4mm poly windows and the elevated helm position for the skipper gives a commanding view of the the whole vessel and her surroundings. She has bench seating to port and forward to keep everyone out of the elements and even has the optional galley.

All of this backed up by the supreme class leading Mercury 150hp 4-Stroke fully serviced this is a serious fishing boat to be reckoned with.

Part Exchange Considered & Finance Available.
